

TONY

TONY

We was just talking about honesty a few weeks ago, babe. You had plenty of time to come clean and tell me the truth. I told you everything about me. There's nothing you don't know about me. I opened my world to you, and you been deceiving me all along? Especially knowing this is my heart's desire?

MELODY

I didn't want to disappoint you. I didn't want to hurt you. I know how much you want your own child, so I didn't know how to tell you that I couldn't give it to you.

TONY

I am your husband, Mel. If you can't talk to me, then what is that telling me? I was willing to do anything to make our marriage last. But you don't have the dignity to do the same for me. How can I ever trust you again? You been lying to me our entire marriage.

Melody tries to hug Tony. Tony pushes her away and gets up.

TONY

I can't believe this. I need to go clear my head.

Tony walks out of the house. Melody starts crying louder. Mom walks down to be with her.
